Walther

Floteneuhr Clock

Haydn

Song of the quail

Marche

Andantino

Andante

Allegretto

Vivace

Aria Con Varazione

Martini

Prelude and Fugue G Major

Bach

* The pipe organ was built by Marilyn Mason Brown, and Dr. R. K. Brown, an electrical engineer, on the faculty of the University of Michigan. The instrument has seven different ranks, and approximately six hundred pipes, which were imported from Germany. The intricate workmanship took a period of two years to complete.
