THESE ARE GREAT DAYS IN THE CHURCH

Minister's Message

Dear Friends:

The second phase of our Loyalty Program is evangelism.

October is the month in which we register our willingness to share our faith.

Rev. Riedl has prepared our commitment card. On this card we will register our intent to make a real effort to bring someone to accept the Christ, or to become a part of the fellowship of the church. The card does not promise that we will succeed, but it does promise that we will try. The period for this drive runs from October through Pentecost Sunday, which is May 25, 1969.

This program is important to this congregation. Unless we care enough to share our faith and our Christian experience, the church will weaken in our generation.

This program is important to our individual Christian lives. The same Lord that promised eternal life also gave this basic command. We cannot expect to take the one and ignore the other. This was His last command, and probably is the most important.

It has been said that our faith has a deeper meaning when we share it with another. I believe that all will find this to be true.

Now is the time for this congregation to turn to personal evangelism. We have, and are renewing our building. We have installed a new organ. We have restructured our organization. Now, let us break loose like a roaring fire--bringing the Christian Faith to every person we know or with whom we come in contact.

We have had two great meetings at our church last year, and shared in the Billy Graham Crusade. We have asked the Lord to do for us the very work he told us to do for Him. We have prayed for a blessing but ignored a responsibility.

Now let our prayer change! Let us pray, "Lord, give me wisdom and strength to do this task which has been entrusted to me by thy command. . .lest I fail my homeless neighbor. . .myself. . .and Thee, O God. . ." Charles Bretz, Minister

DEDICATORY CONCERT TO BE PRESENTED BY
DR. MARILYN MASON

The Dedicatory Concert for the new Casavant organ will be Sunday afternoon, October 13, at 4:00 P.M.

The committee planned to bring a person of such reputation and ability for this service that the music community of our city would attend this service. This will be the introduction of our organ to the Kansas City area.

It was felt that Dr. Mason was the logical choice.

Dr. Mason is chairman of the Department of Organ at the University of Michigan. She represented the United States at the International Congress of Organists in 1957, and her series at the Auditorio Nacional in Mexico City made her the first woman organist to play in Latin America. She is also the first American woman to play in Westminster Abbey.

She was awarded the Doctorate of Sacred Music by Union Theological Seminary.

Dr. Mason's tours have taken her to the great cities of three continents, and we are delighted that she will be our organist for the dedicatory concert next Sunday afternoon.

There will be no admission, but an offering will be taken during the recital.

If you have friends who enjoy organ music at its best, be sure to invite them.
